

ЗВЁЗДЫ

БЛИЖЕ, ЧЕМ КАЖЕТСЯ

The background of the image is a deep space scene. It features a dense field of stars of various sizes and colors, primarily white and blue. A prominent feature is a large, diffuse nebula with a mix of purple, blue, and reddish-pink hues, stretching across the upper and central portions of the frame. The overall lighting is dim, with the primary light sources being the individual stars and the glowing regions of the nebula.
